

Hello everyone,

We had a tremendous turnout this past Saturday in Lynden to support our police and to stand as a protest to Black Lives Matter. 140 patriots came and lined Front St. with signs and American flags. In response, the local BLM group, calling themselves *Young Activists of Whatcom County* has scheduled a march on Lynden for this Sunday, July 5, at 2 PM. Their purpose is to march from Lynden High School to City Hall for a rally with speakers, then continue to the Lynden police station. Below is a picture of their poster, indicating that Lynden is too white and too conservative and shows more support for the police than for “black lives.” According to them, Lynden “has an immensely racist history.”

BLM people are also going around Lynden taking pictures of houses that have conservative candidate’s yard signs. When one of them was confronted by a homeowner, the BLM supporter told the homeowner that he was taking pictures to record where all the racist Republicans live.

Therefore, local citizens have joined together to form a new pro-police, pro-American support group called Lynden Freedom. We are calling on citizens to gather this Sunday, July 5, at 1:30 PM at Centennial Park, across from the library, at 4<sup>th</sup> and Grover for a Freedom assembly. We are going to protect our local monuments and public buildings from potential damage. We are asking you to bring either an American flag or a Blue Lives Matter police flag. **For this rally, we want only flags, no signs of any kind.** See the notice at the end of this email.

If you intend to come, please either reply to this email ([lyndenfreedom@gmail.com](mailto:lyndenfreedom@gmail.com)) or go to our Facebook page and let us know that you are coming. <https://www.facebook.com/events/3596476320366750> Please forward this email to others who may be interested. We are hoping for a huge turnout to come to stand up against this pro-Marxist BLM movement and support our police.

In addition, there will be a vehicle Freedom parade on Saturday, July 4<sup>th</sup> beginning at 11 AM at Bender Field on Bender Rd. We encourage you to come to support this worthy event.

Looking forward to seeing you at both events.
